THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MD. ALI ASHRAF FATMI): (a) to (d) In the Mid-Term Appraisal Document of the Xth Plan, Planning Commission, had suggested that in order to provide more resources for increasing access and improving quality, apart from a substantial increase in public funding, increasing the fees paid by students is equally necessary and that a substantial increase in fees combined with an aggressive means-based scholarships and loan programmes is the need of the hour. They also suggested that the Central Government should give the lead in this area by increasing fees in the Central Universities. In the comments sent to the Planning Commission, this Department had expressed its disagreement to the proposition in the document about "the need for Central Government to give lead in this area by increasing fees in the Central Universities" as it was considered premature since a CABE committee was looking into all aspects of financing of higher education.
